AUGUST 2016

2016 HARC OFFICERS

PRESIDENT: DON VARY, KDØHHN -- V-PRES: ED TURNER, NØWNV
TREASURER: LARRY LAUER, WB2UFO
SECRETARY: DAVE MILAM, KBØRZN
TRUSTEE: CLIFF AHRENS, KØCA
EDITOR: BONNIE SINCLAIR, WBØWAP

NEXT SCHEDULED MEETING: NOTE NEW MEETING PLACE

Wednesday – August 10, 2016 at 7:00 PM

H.A.R.C. NEW, PERMANENT MEETING LOCATION

MARION COUNTY AMBULANCE DISTRICT ADMINISTRATIVE OFFICE – 142 JAYCEE DRIVE, HANNIBAL, MISSOURI

Driving Directions (From the South): Route 61 into the city. Continue past the turn off for **MODOT offices**. The next Left is **Clinic Road (Poage Jeep/Chrysler)**. Turn Left onto Clinic Road and continue to the intersection of Communication Drive. Turn Left onto **Communication Drive** and continue to the curve in Communication Drive. Then turn right onto **Jaycee Dr**. The Ambulance District building is the last building on the Right – **142 Jaycee Dr**. Parking is just before you get to the building on the right.

(From the North/East/West): Route 61 south to **Clinic Road (Right turn just past Wendy's)**. Turn right onto Clinic Road and go to intersection of **Communication Drive**. Turn Right onto **Communication Drive** and continue to the curve in Communication Drive. Then turn right onto **Jaycee Dr**. The Ambulance District building is the last building on the Right – **142 Jaycee Dr**. Parking is just before you get to the building on the right.

MONDAY NIGHT WEEKLY NET CALL LIST – AUGUST 2016

01 KDØYTH STEVE
 08 WØPGL TONY
 15 KDØHHN DON
 22 WB2UFO LARRY
 29 KB9VIS BRIAN

SCHEDULED FCC VE TEST DATES FOR YEAR OF 2016

DATES FOR 2016: October 12

Registration is required at least 72 hours before the exam session by contacting the team liaison, Fred Miller- KB0WIL at kb0wil@arrrl.net or 573-221-2429.

The 2016 test fee will be unchanged at \$15.00. It goes to ARRL/VEC. Bring a photo ID (or two non-photo ID's); if currently licensed, bring the original and a photocopy of your valid FCC license; and if you are claiming credit for successful completion of an exam, bring the original and photocopy of any applicable CSCE's.

Exams will take place at 8:00 PM after the regular scheduled HARC meeting.

WALK INS ARE NOT ALLOWED.

HARC CLUB DUES:

HARC annual dues are due each January. The dues are very important and are needed to keep repeaters up and running, plus other expenses of the club. The yearly dues fee is \$20.00 per member, & \$5.00 for each additional family member. You can pay at club meetings, or send the money to HARC, P.O. Box 1522 Hannibal Mo, 63401. Thanks!!

HARC MINUTES FOR JULY, 2016 MEETING

Respectfully submitted by Dave Milam KB0RZN

Hannibal Amateur Radio Club Monthly Meeting Minutes July 13th, 2016

Don (KD0HHN) opened the meeting at 7:00pm with 9 people present including 2 guests. After introductions, Don asked if everyone had read the minutes for June. We did not have enough people attending the meeting for a quorum, so an informal meeting was held. Don asked our new guest, Elizabeth Stone, to tell us something about herself. Elizabeth just recently moved to Hannibal, and will be employed at General Mills. She became interested in amateur radio through her uncle, and has studied for the technician class license. She is ready and interested in testing, and the members informed her of the upcoming classes in Hannibal and testing in Quincy. The three class dates are July 23, July 30, and August 6th in Hannibal. The test date will be August 13th in Quincy coinciding with the Quincy Hamfest.

Treasurer's Report:

Larry (WB2UFO) read the Treasurer's report for June 2016. Last month's Ending Balance was \$1,131.17, this month's Ending Balance is \$903.20, and the CD Balance is \$1,323.30, making the Total Assets \$2,226.50. Without a quorum, no motion was made to accept the Treasurer's report

Repeaters:

Don (KD0HHN) reported that no one had reported any problems with either machine.

Unfinished Business:

Don reported The Bike Across Missouri (BAM) event was successfully completed ending in Hannibal with coordination and participation by several club members. Cliff (K0CA) stated that the Missouri Section Manager complimented Don and the other Coordinators on a job well done.

Don mentioned that during Field Day, we picked up 3 new members. The entire event went smoothly, and Dave (KB0RZN) will send a thank you note to the Ambulance District to show our appreciation for being able to use such a nice facility. Don stated we seem to be missing a manual tuner from the event, however it was determined that it may have not even been there. Cliff (K0CA) reported we ended up with 786 CW contacts which count double for a total of 1572 points. We had 381 contacts on phone and 17 digital contacts. Don mentioned Jim (N9JF) had written a nice wrap-up of the event and emailed it to him, and Don forwarded it to the Hannibal Club members.

New Business:

Don stated that Bonnie (WB0WAP) after doing it for many years would like to have someone else take over writing the newsletter. If interested, please contact Bonnie. Discussion followed concerning the newsletter and Facebook pages.

Cliff shared some Logbook of the World trivia about the Club call signs. W0KEM, our main call had 13,860 QSO's over the years going back to the early 1980's, the earliest being June 26th 1981. W0MTL had 3,840 QSO's with the earliest one being August 3rd, 2001. W0KEM has worked 11 countries and 49 states, all but Delaware. W0MTL has worked 27 countries and 44 states. Discussion followed concerning the Lighthouse Event held in August. With everything going on, it was decided to pass on the event this year.

50/50:

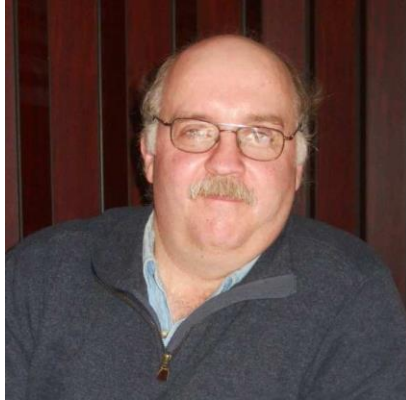

The 50/50 was won by Chet (W0CCR). Chet donated it back to the Club. Thanks, Chet!

Precision Screwdriver Drawing:

Two precision lighted screwdrivers were donated by Don (KD0HHN) to be raffled, and were won by Rob (KE0DZI) and Dave (KB0RZN). Thanks Don!

**FROM THE PRESIDENT'S DESK
BY DON VARY KDØHHN**

Hello again everyone. Another month gone by and I'm glad to report 3 new members, well actually 2 old members renewed memberships and one new member. Kyle Martin, KDØEBL is back in the area, and has rejoined the club. The second "old" member is Bob Blair, KDØPHC, who decided to rejoin the club as well. Our new member is Doug Baker, KGØTW, an Extra class operator from Palmyra. Doug got introduced to the club during the BAM. I had contacted him to see if he was interested in helping with the BAM, and he expressed an interest in Field Day, as he is a CW operator, so I put him in touch with Cliff, he was at Field Day, operated and joined the club. Welcome one and all and I hope you enjoy your time with the club.

Well, Field Day has come and gone, and I think this year went pretty well. This was the first year that we worked with the Quincy club in a few years, and things seemed to go well. We ended up with a total claimed score of 3,974 points, and had a visit from Lindell Shumake, our 5th District Representative in Jefferson City. Rep. Shumake was shown around the site, viewing the phone, CW, digital and GOTA stations. Mr. Shumake seemed genuinely interested in what we do. Also as a side note, the Courier-Post did a nice article on our Field Day operations.

The Technician class is shaping up nicely and will be starting this Saturday. As of this date, we have 11 students signed up, with 3 from the Quincy area, 2 from Keokuk, and the rest from the Hannibal area. I know there are several from this group who want to go for General when they pass their Tech test. The test date will be on the 13th of August at the Quincy hamfest. We look forward to hearing them on the air in the near future.

We have a request from Bonnie, WBØWAP, who has been the editor of the newsletter for the past few years, has asked the club to find a replacement for her. The position required putting the various columns together in a PDF format, then sending it to the officers for proof-reading then to Fred for posting on the club website. If anyone is interested, please contact Bonnie to find out more about what would be required. The newsletter is an important part of the club, especially for prospective new hams who come across the website, and for members who cannot make the meetings, but like to keep up with what is going on with the club.

Well, guess that's all for now, stay on the cool side of the door and I'll see you down the log.

SOME NEWS OF OUR 2016 FIELD DAY EVENTS!

Hello HARC members,

Cliff sent this summary of Field Day written by Jim Funk and asked me to forward this to everyone. I would also like to add my thanks to everyone for making this first Field Day in our new home a good one. Kudos to everyone involved

73 Donald Vary KD0HHN

Don, here's a great summary of the 2016 joint Field Day operations of the Hannibal MO ARC and the Western IL ARC from Jim N9JF. Jim said it was fine to forward this email to our club's members. I just want to add a couple additional comments. Larry WB2UFO did an outstanding job as the GOTA Coach who helped 7 new and inactive hams get on the air and make 203 contacts on the GOTA station. Chef Howard K0DFW and his helpers grilled lots of pork loin and thanks to everyone brought tasty dishes to enjoy for dinner Saturday evening. And a big thanks to the Marion County Ambulance District for letting us use their Training Center and EOC for Field Day. I've submitted the Field Day entry to ARRL (see the summary in Jim's article), and have uploaded the Field Day logs to ARRL's LoTW.

73, Cliff K0CA

Field Day Musings de N9JF

2016 ARRL Field Day is a wrap. Field Day "is not a contest"...but you can make of it whatever you want! There were several shared and individual goals going into this year's event. Without having explicitly asked just what those are/were, I think I can infer a few of them. We wanted to pull off a joint operation with the Hannibal Amateur Radio Club in order to foster cooperation between the two groups. We wanted to be "effectively operational" in a communications exercise. It was important to meet other hams and their families in a social setting. Operational goals ranged from "carrying on" to "totally new experiences". The CW group wanted to make a thousand QSO's. The "GOTA Group" (Get On The Air) wanted to introduce new operators to proper operating procedures and help make them comfortable on the air.

The logistics involved setting up of radios, computers, antennas and feedlines to put a total of four stations on the air within the Marion County Ambulance Training facility. Quite a bit of work was put into the antennas in advance by WB2UFO and others. On Saturday morning, a good-sized group of members of both clubs assembled to put together the necessary equipment.

To say the weather was "oppressive" really doesn't adequately express just how hot one could get while erecting (and later, tearing down) the antenna systems. We put up a total of six antennas (one vertical, one G5RV and four dipoles) each of which require supports, guys and feedlines. We probably strung out a total of over 700 feet of coax. Fortunately, there were a lot of individuals helping! About 11 a.m., W9WE remarked that it didn't seem "normal" to be nearly done with setup with the start of the event still two hours away. There are always last-minute details, but when the 1 p.m. bell sounded, the CW, SSB and "GOTA stations were ready to roll.

Band conditions were not great. I can't speak for the phone folks, but on cw it seemed that the bands never really "rolled". All of the radios kept working, the N1MM logging software cooperated, and the antennas seemed effective. We could work just about anyone we called, but CQing wasn't as exciting as in some years. Though we checked the higher bands, this was an 80/40/20 meter event. You take what you get and run with it.

Both the CW and GOTA stations were on the air for the full 24 hours. On CW, we had a great time. By interspersing some naps, K0CA, W9WE, KG0TW and I put together just shy of 800 contacts. It was obvious that the GOTA station, using callsign W0MTL, did very well. W9IRE put his TS520 on the air for 10 CW contacts. Nobody got injured (except perhaps heat stroke and acute chigger poisoning). The carry-in dinner supplemented the excellent grilled offerings, and much visiting ensued over the meal.

The fact that we had good antenna separation and orientation proved to give a minimal amount of interference between stations. We could operate on 75 phone and 80 CW at the same time with NO problems, and co-exist on 40 and 20 CW and SSB.

The final submission to ARRL by K0CA shows a total of 3974 QSO points, plus 1570 "bonus points", for 5544 total score. Claiming these took a lot of work by several individuals (none of them me...) for publicity, emergency power, etc. I'd call it a success!

I LIKE THIS ONE MOST OF ALL!

**DX FROM THE TREASURER'S DESK
BY LARRY LAUER WB2UFO**

Larry Lauer, WB2UFO

Hello again Fellow DX'ers Here is our August report

Hello friends. The end of July brings us the Radio Society of Great Britain's (RSGB IOTA) Islands on the Air Contest (July 30-31st)

This contest is a good way to end July and move into the quiet month of August. I say that because, I could not find many interesting DX postings for the next month. So if you are looking for activity, you will find it the in the last weekend in July on the worlds islands.

73 All Larry WB2UFO

FRANZ JOSEF ISLAND, R1FJ. Eugeny, RW0BB is QRV as R11FJ. He is generally active on 30 and 20 meters using mainly CW and RTTY at various times. QSL direct via UA2FM.

FM, MARTINIQUE. Alex, DD5ZZ, will be active FM/DD5ZZ from Martinique (NA-107) between September 12th and October 3rd. Activity will be on various HF bands. QSL via his home callsign, ClubLog's OQRS or LoTW.

JT, MONGOLIA. David, OK1DBS, will be active from two different locations in Mongolia between August 30th and September 24th. Look for him to sign JT1DBS during his first week from Ulaanbaatar. The next two weeks he will be in Batshireet signing JT1DBS/3. Activity will be on various HF bands using an IC-7400 and IC-718, with IC-GU-43 500w amp into Cushcraft A3S yagi, R7 Vertical and a Diamond Inv. V-Dipole. QSL via his home callsign.

T42, CUBA (Lighthouse Op). Members of the DX Group Cuba (GDXC), Havana Contest Group (HCG) and a eastern RC of Havana will activate T42R from

the lighthouse castle of the Morro Havana (CU-002), Cuba (NA-015), during the 2016 International Lighthouse/Lightship Weekend (August 20-21st). Operators mentioned are CO2JD, CO2XK, CO2II, CO2AME, CO2WDB, CM2KL, CM2YV, CM2PTE, CM2CVV, CM2MIL, CM2RW, CM2AQD, CM2CD, CM2CK, CM2MM, CL2TE and CL2YPR. QSL via EA7FTR.

V3, BELIZE. Victor, WB0TEV, will be active as V31VP from Blackman Eddy Village (west of Belmopan) between August 19-23rd. Activity will be on various HF bands including entries in the North American SSB QSO Party and SARTG RTTY Contest. He will use 100 watts and wire antennas. QSL via his home callsign, direct or by the Bureau.

Radio Society of Great Britain (RSGB IOTA) Islands on the Air Contest (July 30-31st)

If you are looking to work the worlds islands, this is the weekend to do it.

AF-019. Emilio, IZ1GAR, will once again be active as IH9/IZ1GAR from Pantelleria Island (IIA TP-001, WLOTA 0041) between November 24-28th. In the CQWW DX CW Contest (November 26-27th), he will be active as IH9R and as a Single-Op/Single Band (80m)/High-Power entry. Pantelleria counts as Multiplier Zone 33 Africa Italy for the CQWW DX rule (islands are located over the African continent platform). QSL via IZ1GAR, direct or by the Bureau.

AS-036. Kenji, JA4GXS, will be active as JA4GXS/6 from Iki Island between November 12-13th. Activity will be on 40/30/20/17/15 meters using CW and SSB. QSL via his home callsign, direct or by the Bureau.

AS-066. Vlad, UA0LCZ, will again be active as R66IOTA from Popov Island between July 26-31st. Activity on 80-10 meters using CW. He will also be in the RSGB IOTA Contest (July 30-31st) as a Single-Op/Mixed-Mode entry. QSL via his home callsign.

AS-117. Kenji, JA4GXS, will be active as JA4GXS/4 from Kasado Island on August 27th, between 0900-2200z. Activity on 40/20/17/15/6 meters using CW and SSB. QSL via his home callsign, direct or by the Bureau.

AS-135. Members of the Jiangsu DX Club will be active as B4R from Qinshan Island during the RSGB IOTA Contest (July 30-31st). Operators mentioned are Li/BA4WR, Zeng/BG4WOM, Mingzhong/BH4RNX Jian/BI4VIP BI4TKW BI4TKL. QSL via BA4WR.

EU-031. Tony, IC8FBU, will be on from Capri Island during the RSGB

IOTA Contest (July 30-31st) Single-Op/CW-Mode/Low-Power/12-HRS (Saturday 2000 UTC to Sunday 0800 UTC) entry. QSL via his home callsign, by the Bureau or direct.

EU-076. Operators Ian/G3WVG and Nigel/G3TXF active as LA/G0AAA from Værøy in Lofoten Islands, Norway, during the RSGB IOTA Contest (July 30-31st) a Multi-2 entry. QSL via G3TXF. For more details, see:
<http://www.g3txf.com/dxtrip/LA-Jul-16/LA-Jul-16.html>

EU-132. Adam, DJ0IF, active as SN0RX from Wolin Island during the RSGB IOTA Contest (July 30-31st). QSL via SP8BXL.

EU-136. Janez, S53V, will be active as 9A8CV from Krk Island from between July 24th and August 3rd. Activity will be CW only on various HF bands. He will also participate in the RSGB IOTA Contest (July 30-31st). QSL via eQSL only.

EU-146. Peter, ON4TO, active as PA/OQ4T from Schouwen Duiveland during the RSGB IOTA Contest (July 30-31st Single-Op/SSB-Mode/24-Hrs/High-Power entry. QSL via ON4TO, by Bureau or LoTW after the activation.

EU-165. Massimo, I0PNM, will once again be active as IM0/I0PNM from San Pietro Island (IIA CI-007, MIA MIS-050, WLOTA 2989), Sardinia. His activity will take place during the RSGB IOTA Contest (July 30-31st) as a Single-Op/DXpedition/SSB-Mode/Unassisted/24HRS entry. QSL via his callsign direct only.

EU-172. Paul, DL5CW, will be active as OZ/DL5CW from Hjarno Island during the RSGB IOTA Contest (July 30-31st) as a Single-Op/Low-Power entry. QSL via his home callsign.

EU-174. Laci, HA0NAR/HG0R, will be active as SV8/HG0R from Thassos Island between July 26th and August 2nd. Activity will be on 160-2 meters using CW, SSB and RTTY. This will include the RSGB IOTA Contest (July 30-31st). QSL via HA0NAR.

NA-008. Pierre, VE3KTB, will be active as VY0ERC, when time permits from Eureka Amateur Radio Club on Ellesmere Island between July 22nd & August 6th. He may participate in the RSGB IOTA Contest (July 30-31st). See QRZ.com for more details.

OC-150. Adi, YB9GV, active from Lombok Island during the RSGB IOTA Island (July 30-31st) as a Single-Op/Single-Band (15m)/Mode-SSB/Low-Power entry. QSL via eQSL or LoTW.

AS-141. B5C from Yijiangshan Island. Operators Dale/BA4TB, Mi/BD4TQ, Ni/BD4TR, Gu/BD4TS, Zheng/BD5FFK, Zhou/BG4TVT, Zhou/BG4TYQ, Tao/BG4TRN, Chen/BG5FCH, BH4TGQ, Xingang/BH4TVU, BI4RYM and Xinrong/BI4SCC will be active as B5C from Yijiangshan Island during the RSGB IOTA Contest (July 30-31st) as a Multi-2/High-Power entry. The team plans to have 2 stations on the air with amps, Hex-Beams and vertical antennas. QSL via BA4TB. Before and after contest, look for operators to sign B5/homecalls (they will be there between July 26th and August 1st). Activity will be on 80-6 meters using CW, SSB and the Digital modes. QSL via their home callsigns.

EU-024. IS0/OM8A from Sardinia. Tibor, OM3RM, will be active as IS0/OM8A from Sardinia during the RSGB IOTA Contest (July 30-31st) as a Single-Op/All-Band/ High-Power entry. QSL via OM2VL.

EU-025. Sicily Island. Joe, IT9RZU, will be active from Sicily Island during the RSGB IOTA Contest (July 30-31st) as a Single-Op/All-Band/ Low-Power entry. QSL via his home callsign, by the Bureau or LoTW.

EU-054. Favignana Island. Mike, IF9ZWA, will be active from Favignana Island during the RSGB IOTA Contest (July 30-31st) as a Single-Op entry. QSL via his home callsign by the Bureau only.

EU-067. Syros Island Theodoros, SV1EJD, will be active as SV8/SV1EJD from Syros Island between July 23rd and August 11th. Activity will be on 80-6 meters using SSB and RTTY. He will also be in the RSGB IOTA Contest (July 30-31st). QSL via his home callsign or LoTW.

NA-126. Portage (Outer) Island. Operators Fred/VE1FA, YL Helen VA1YL, Alphonse VO1NO, Wayne/VE1BAB, Lowell/VY2OX, Rich/VA1CHP and Michel/VA2MM will be active as VC1A from Bon Portage (Outer) Island, NS Province South Group, during the RSGB IOTA Contest (July 30-31st) as a DXpedition entry. QSL via VA1YL.

NA-137. Cousins Island or Little John Island Charlie, N1RR, will be active as N1RR/m from Cousins Island or Little John Island during the RSGB IOTA Contest (July 30-31st) as a Single-Op/All-Band/CW-Mode/Low-Power entry. QSL via his home callsign, direct or by the Bureau.

KH6/KH7, HAWAII. German operators Walt/DJ0FX and Kuno/DF1SD will be active as KH6FX and KH7SD, respectively, from Hawaiian Islands (OC-019) between October 9-23rd. Activity will be on 160-10 meters using CW, SSB and the Digital modes. QSL KH6FX via DJ0FX direct, and KH7SD via DF1SD direct.

SV5, DODECANESE. Igor, OH2FUW, will be active as SV5/OH2FUW from Gennadi (WW. Loc. KM35XA), Rhodes Island (EU-001), between July 19th and August 1st. His main activity will be the

RSGB IOTA Contest (July 30-31st) as a Single-Op/QRP (FT817ND)/CW-Mode/24-Hrs entry. QSL via OH5AB, direct or by the Bureau.

SV5, DODECANESE. Noel, ON4APU, will be active as SV5/OO4O from Rhodes Island (EU-001, WW. Loc. KM46ck) during the RSGB IOTA Contest (July 30-31st) as a Single-Op/Single-Band (Possible 15m)/Mixed-Mode/12-Hrs entry. QSL via ON4APU by the Bureau and LoTW after his activities.

3DA0, SWAZILAND (Reminder). Braam, ZS6AYE, will once again be active as 3DA0AY from Bulembu, Swaziland. He informed OPDX a few weeks ago, "I am in and out of Swaziland, and I live 35 km from the border and work in Swaziland. I'm in the business of communications. I am getting everything ready for a DXpeditions that will start on July 18th to the 25th." Activity is on 40-10 meters using mainly the Digital modes (RTTY, JT65, PSK31). The radio is a Kenwood using 40-200 watts into vertical antennas. For mode and band requests, E-mails are welcome at <3da0ay@gmail.com>. QSL via ZS6AYE or ClubLog's OQRS.

5N, NIGERIA. Martin, LW9DTR, will be active as 5N/LW9DTR from Ilobu town, south of Osogbo, in the Osun State, between August 7-8th. Activity will be on 20/15/10 meters using SSB and JT65. QSL via his home callsign direct.

EA6, BALEARIC ISLANDS. Alex, IN3BYZ, is now active as EA6/IN3BYZ from Menorca Islands (EU-004) until July 29th. Activity will be on 20/17/10/6 meters. QSL via his home callsign, direct or by the Bureau.

Now, get those islands

73

Larry

WB2UFO

EXTRA ADDITION!!

How could any of us miss this opportunity to work this amazing excuse for a DXpedition.

(Update). Tom, KC0W, and his all-CW "Cows Over the World" DXpeditions still continues and is now active as T2COW from Tuvalu until August 18th. Activity will be CW only on 160-6 meters using a K3 with a KPA500 amp (500 watts) into vertical antennas over salt water. He will be in all major CW contests. He updates his activities on his upcoming operations on QRZ.com. His tentative schedule is as follows:

Tuvalu (T2) : July 19th-August 18th

Vanuatu (YJ) : August 20th-September 21st

Western Kiribati (T30COW): September 24th-October 24th

Solomon Islands : October 25th-November 26th

Returns to Samoa (5W0COW): November 27th-???

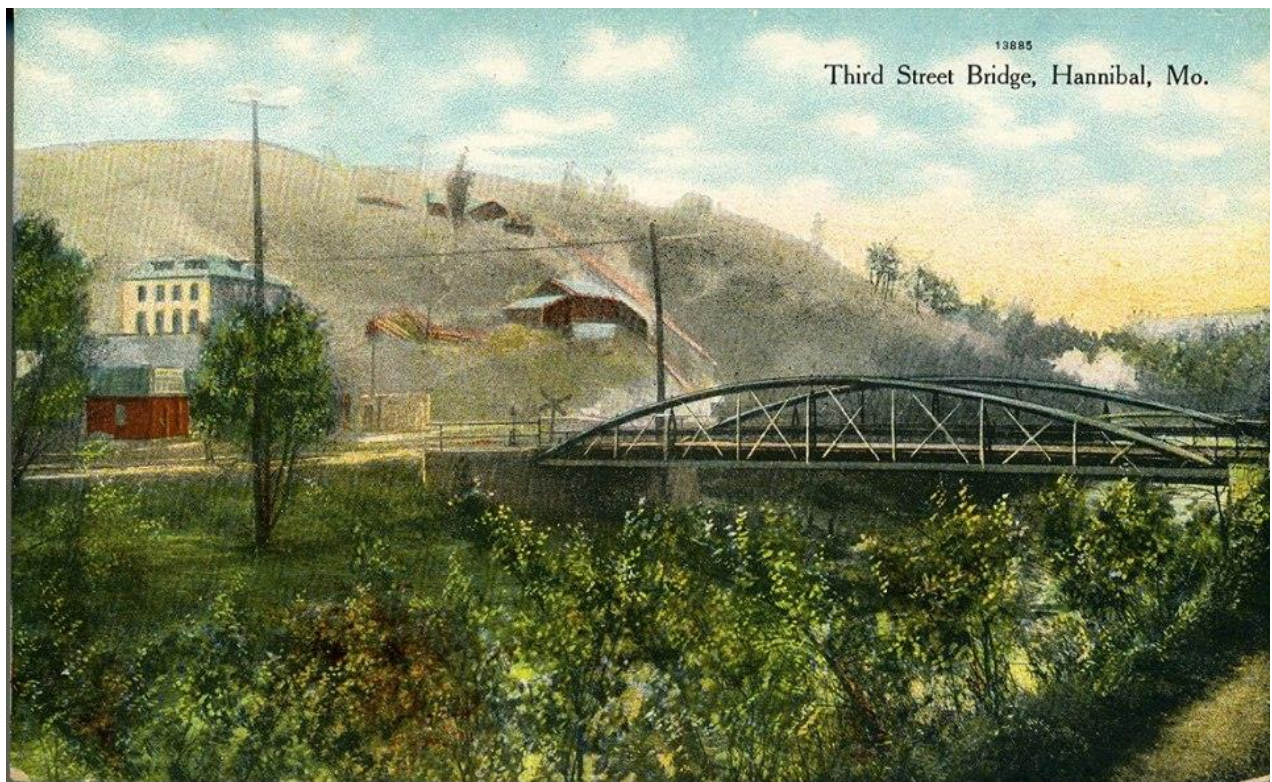

Tokelau (ZK3) : ???

Temotu Province (H40) : (Depends on Tokelau)

Bangladesh (S2) : Exact dates unknown.
Nepal (9N) : Exact dates unknown.
Bhutan (A5) : Exact dates unknown.

QSL via KC0W direct only. A log search will be available on ClubLog. He does not use LoTW. See QRZ.com for more details and updates. Larry WB2UFO

AN INTERESTING PHOTO AND SOME HISTORY OF HANNIBAL, MO. (Sure looks different)
Found this on Facebook.

Third Street Bridge (over Bear Creek), Hannibal Postcard Co., published 1909. The Third Street Bridge was replaced by the Highway 79 viaduct in 1967. The stone house at the south end of the present viaduct is visible on the left side of this view.
